

# Summer Vacation Study Programs in the USA

**Access to Language Studies specializes in English language programs for students ages 13 to 18, hosted on U.S. college campuses. We offer high quality language, sports and enrichment programs in exciting destinations. Students from around the world meet new friends and have an unforgettable educational, cultural and fun experience that will last a lifetime.**

Boston is America's premier college town and one of its most international cities; it's also one of the nation's oldest, first incorporated in 1630. It is home to over 250,000 colleges. Our Boston program is hosted at **Bentley University**, one of the nation's leading business schools. Located on 163 acres in Waltham, Massachusetts, just minutes from downtown Boston, the **Bentley** campus offers the best of both worlds: a safe, suburban campus with ready access to Boston, the largest college town in the country. Whether you live in a traditional residence hall or in an apartment/suite complex, you will find that our staff works hard to maintain an atmosphere that fosters academic success and intercultural development. Accommodation options include suites and one-, two-, and three-bedroom apartments with bathrooms and kitchenettes. Other amenities include on-site laundry facilities, air conditioning, vending machines, and in some buildings, game rooms and workout facilities. Your dining experience is more than great food. Bentley's team is committed to creating the best possible dining experience.

San Diego is the second largest city in California. It is located on the San Diego Bay, two hours south of Los Angeles. San Diego is a center of arts and culture. It offers museums, the performing arts, and much more. Our program is hosted by **San Diego State University**. We are just moments away from miles of beautiful beaches and scenic mountains. All residential facilities are conveniently located in the **SDSU** campus near the trolley line. The apartment complex offers units with single and double rooms, a living area and 2 bathrooms. The residence hall features a lounge, recreation room, bathroom facilities, vending machines, laundry facilities, security desks and a swimming pool.
